Customer Reviews

This Folk Pop Rock book features 80 great songs, arranged alphabetically and with lyrics, chord symbols and chord diagrams. Because 72 of these songs are not included in the Acoustic Rock Book, you don't have to worry about overlap.

The book itself in 6 x 9 inches and difficult to make stand up on a music stand. It is similarly hard to copy. The list of songs is adequate and I have enjoyed it.

Nice but the book is too small to lay out flat while reading and playing. I don't purchase these small song books anymore

Good series of books
