Customer Reviews

Everything looks great. The book is Easy Piano music, but for any Owl City fan it is a great gift. Fast shipping.

This is a great book! I got this for my boyfriend for a Christmas gift and he has used it many times. It's so nice to come home and hear him playing Owl City songs.

Anytime you arrange something for "easy" piano, it just doesn't sound quite right. This one is dumbed down too much and you can definitely hear it.

In my opinion, this is a great intermediate level book. Not too easy, not too hard, making it fun to sit down and play since the motivation level is there.
