This music book is a success. From Amazing Grace to Russian Sailor's Dance, Standard of Excellence Book 2, has many tunes to help improve your tone quality. This book is also a great choice for middle school level bands that need a book. Being written specifically for more than one instrument, this book has duets and warm ups that can be played as one band. Also, for you French Horn players who know how difficult the instrument can sometimes be, there are the regular songs that can be played as a band, and also the same song but in a different key so that you can start off easily. To top all that off, there are also real band arranged pieces up to over 100 measures long. Now if this isn't a good band book, then I don't know what is!

We bought this and it arrived quickly, and was exactly what we needed. Thanks! This is a standard music boook required by many school band classes.
