Customer Reviews

My nephew got really excited when he saw the special guest appearance of a character from another book. This appearance was done in such a way to not have it where someone will have needed to have read the book about the character whose name I won't say to prevent giving out spoilers. It is a special bonus to the fans who have read that book and if someone hasn't, it is another excellent read as well. Nicely done BK. We can't wait to see who the next character is going to be.

3 Cheers for the return of BK! :D but why were you gone in the first place... family situations? Vacations? I don't know what but I am sure glad BK is back :) another author to kill my time

I like the surprising twist at the end. And I like how Graham fits into this story. He is my favorite!!!!!!!!!!!!!!
