Shaq Uncut: My Story

Synopsis

Superman. Diesel. The Big Aristotle. Shaq Fu. The Big Daddy. The Big Shaqtus. Wilt Chamberneezy. The Real Deal. The Big Shamrock. Shaq. You know him by any number of names, and chances are you know all about his legendary basketball career: Shaquille "Shaq" O'Neal is a four-time NBA champion and a three-time NBA Finals MVP. After being an All-American at Louisiana State University, he was the overall number-one draft pick in the NBA in 1992. In his 19-year career, Shaq racked up 28,596 career points (including 5,935 free throws!); 13,099 rebounds; 3,026 assists; 2,732 blocks; and 15 All-Star appearances. These are statistics that are almost as massive as the man himself. His presence - both physically and psychologically - made him a dominant force in the game for two decades. But if you follow the game, you also know that there's a lot more to Shaquille O'Neal than just basketball. Shaq is famous for his playful, and at times provocative, personality. He is, literally, outsize in both scale and persona. Whether rapping on any of his five albums, challenging celebrities on his hit television show Shaq Vs., studying for his Ph.D. or serving as a reserve police officer, there's no question that Shaq has led a unique and multi-dimensional life. And in this rollicking new autobiography, Shaq discusses his remarkable journey, including his candid thoughts on teammates and coaches, including Kobe Bryant, Dwyane Wade, LeBron James, Phil Jackson, and Pat Riley. From growing up in difficult circumstances and getting cut from his high-school basketball team to his larger-than-life basketball career, Shaq lays it all out in *Shaq Uncut: My Story*.

Book Information

Audible Audio Edition

Listening Length: 8 hoursÂ andÂ 38 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Hachette Audio

Audible.com Release Date: November 15, 2011

Best Sellers Rank: #137 inÂ Books > Biographies & Memoirs > Sports & Outdoors > Basketball #282 inÂ Books > Sports & Outdoors > Basketball #431 inÂ Books > Audible Audiobooks > Nonfiction > Sports & Recreation

Customer Reviews

As a lifetime fan of Shaq's since his days at LSU... not only for what he accomplished on the court... but also for his childlike enthusiasm... and even though I'm older than "SHAQ"... as a single Father I used his respect and honor for his parents as a teaching tool for my young son. With that being said I still owe a completely unbiased review for all the people out there who are considering whether to buy this book or not. First of all the average person has to wonder if "Shaq"'s second autobiography in ten years logically makes sense to purchase. Obviously the facts of his life up to 2001 haven't changed. In my opinion it would have made more sense to start this book off more as a sequel to his earlier autobiography than another autobiography, because anyone that has followed "SHAQ"'s life knows that there has been more than enough success... intrigue... controversy... and all around entertainment in the last ten years to fill two more books. There are two categories of people who might buy this book... "SHAQ" fans... and non-"SHAQ" fans. The reason I mention that, is if you love and enjoy "SHAQ"-Daddy... you'll read most of his comments knowing and imagining "SHAQ"'s big giant goofy smile is imbedded between every sentence. If you're not an unabashed "SHAQ"-Diesel fan... you'll probably find much of the commentary massively egotistical. (Or as my dear departed Mother used to say to me: "Don't break your arm patting yourself on the back!") "SHAQ" constantly brags about the money he's made... the houses he's bought... the cars he's bought. Oh man! The cars he's bought... and the egomaniacal reasons he bought most of them. FOR EXAMPLE: One day after practice while still sweaty and wearing sweats he stops by a Rolls Royce dealership and is looking at a beautiful Bentley.
