Seiichi Tanaka's teachings gathered by one of his students and performers, Heidi Varian. To the point, easy to understand for everybody. Good to be introduced to A way of taiko (or The Way of Taiko by Seiichi Tanaka). The glossary is very good.

Very well written and researched! My spouse is Japanese and I gave it as a Christmas present...it was a great hit!

I'm new to Taiko drumming and this book is great. I bought the original edition too.

Just what I was looking for!
