WP212 - Bastien Piano Basics - Performance Level 2

Synopsis

Performance is the Bastien Piano Basics solo collection series. The enjoyable variety of original tunes, folk songs, and pop styles will spice up piano study, and the delightfully colorful artwork will give students a lift! Each of these solos is designed for study as well as performance for family, friends, or recital audiences. Each page is carefully correlated with Piano, Theory, and Technic. Extremely appealing to today's students, and convenient for busy teachers! Level 2 contains 19 imaginative supplementary pieces to augment learning.

Customer Reviews

I have used Bastien Piano books for many years. I teach piano and find that this is one of the best teaching tools out there. The lessons are bright and the print is large enough for these old tired eyes to see the lessons. I still have a couple of the older books that I use for some of the students to use because there are some things in the older book that helps some of the students to understand the lessons in that book and aren't as successful in the newer version.

Came quickly, good shape. Good for children learning piano. Daughter enjoys all the music and can be good for self learners as well.

these are great books. my son truly enjoys them.

This book is useful for students that are looking for encouragement as they progress, without moving to the next level. It is used as positive reinforcement.

Excellent to use along the theory book to apply the skills students learn.

using these books for my students for 9 years,..really like them

Kids love it. Very clear prints and engaging graphics for kids
