This octavo Eulenburg study score is beautifully printed, and is a delight to read. The accompanying audio CD is reasonably good. The manuscript also contains the original piano score, and the history of the composition.

I am currently studying composition and orchestration and this is a great way to learn, Ravel was one of the greatest orchestrators ever and this score shows the piano version right along with the orchestra so you can see what he did bar by bar. An excellent lesson from a master.

This isn't "full-sized," so sensitive eyes might have a spot of trouble. It's nice to read the score for a phenomenal orchestration (which includes the piano score on each page).

Great quality, as described and on time.
