Chess For Kids: How To Play Chess For Kids With A Simple Explanation Of The Chess Rules For Kids And Other Fun Facts About Chess

Synopsis

Chess is fun! "Chess For Kids" • covers all rules of chess for kids in an easy to understand way. Chess can help your child gain memorization skills, patience, and sportsmanship! Also, chess has been shown to improve your child's IQ! As a parent you can spend valuable quality time with your kid while teaching him or her how to play chess. The colorful and high-quality images within this book are tied in with rather small blocks of text that are very easy to understand. Thus, "Chess For Kids ..." is an eBook that is a perfect learning tool for children ages 7-9. "Chess for Kids ..." is currently available as an ebook and can be conveniently downloaded by young readers who have already acquired the skill of reading for themselves as well as by parents who will read to the younger children who have not yet begun to read. Download "Chess For Kids" • exclusively from today and start having smart fun!

Customer Reviews

This is noting more than the instructions you would get with any chess set you buy from the store. There is nothing kids specific in the entire book. This is labeled "Chess for Kids"; it is not! It is simply

how to play chess. This would not interest my kid nor are there any helpful tools as to how to teach a child.

I like the book because it was indeed a simple explanation of how the pieces move. Otherwise, it directs you to websites for more information.

great for basic understanding.
