Takedown: Scot Harvath, Book 5

Synopsis

July 4th weekend, New York City: As thousands of holiday travelers make their way out of Manhattan, a flawlessly executed terrorist attack plunges the city into a maelstrom of panic and death. Amid the chaos, an elite team of foreign operatives is systematically searching for one of their own, a man so powerful that the US government refuses to admit he even exists and will do anything to keep him hidden. Now, with the world's deadliest enemy upon America's doorstep, counterterrorism operative Scot Harvath must fight his way through the burning city streets to take down an invisible terrorist mastermind with the means to unleash hell on a global scale.

Brad Thor's "Takedown" focuses on the conflict between Islamic extremists and their enemies in the west. Mohammed bin Mohammed is al-Qaeda's master bombmaker as well as the head of its committee on weapons of mass destruction. An American covert action team kidnaps Mohammed from his hiding place in Somalia and brings him to a secret location in New York City. Abdul Ali, a man implicated in a number of terrorist attacks and high-profile assassinations, is determined to get Mohammed back. He enlists the aid of a villainous dwarf known as the Troll to put together an extraction team to rescue Mohammed. Meanwhile, thirty-six year old Scot Harvath, a former Navy Seal and counterterrorism operative for the Department of Homeland Security, crosses the border into Montreal to nab Sayed Jamal, an Algerian-born terrorist. Although Scot is a patriot, he has grown tired of the red tape and secrecy that hamper his ability to carry out his job. In addition, Scot

would like to have a personal life and start a family someday, but as long as he continues to travel all over the world on highly secret missions, his time will never be his own. Soon, terrorists stage a series of attacks on the infrastructure of New York City. Besides claiming many innocent lives, these attacks insure that all of the major emergency services are tied up with search and rescue missions. Meanwhile, Abdul Ali and his hired band of fierce Chechens are busy with a mission of their own--to find the place where Mohammed bin Mohammed is being held and bring him to safety. This novel features enough explosions, weaponry, and chase scenes to please any action-adventure junkie. The villains are merciless fiends who commit unspeakable acts in an effort to bring the United States government to its knees.
