## Customer Reviews

You need to already know these songs to get the timing right. There is just the chord chart, no marks on timing or strumming patterns that works well with the songs. Its a lot of guess work and you can find most of these songs online with both the chords and the Tabs so you can finger pick it, strum it or do a little of both.

These books provide a nice eclectic of easy to learn and play Christmas songs. A great addition to anyone's Ukulele library.

Lots of good music. Easy chords that are shown with each song.
