Private Equity Accounting, Investor Reporting, And Beyond

Synopsis

Today's only advanced comprehensive guide to private equity accounting, investor reporting, valuations and performance measurement provides a complete update to reflect the latest standards and best practices, as well as the author's unique experience teaching hundreds of fund professionals. In *Private Equity Accounting, Investor Reporting and Beyond* Mariya Stefanova brings together comprehensive advanced accounting guidance and advice for all private equity practitioners and fund accountants worldwide: information once available only by learning from peers. Replete with up-to-date, user-friendly examples from all main jurisdictions, this guide explains the precise workings and lifecycles of private equity funds; reviews commercial terms; evaluates structures and tax treatments; shows how to read Limited Partnership Agreements; presents best-practice details and processes, and identifies costly pitfalls to avoid.
