All the secrets to this great new art--created by author Gail Dziudza and written up in Family Circle magazine--are revealed here, with eye-opening illustrations to show how they can transform everything from switchplates to purses. Find out how to paint the eggs, crack the shells, adhere them to surfaces, and add a durable finish. The projects include pins and pendants, tabletops, frames, mirrors, and vases. And just in case you need a little "egg-stra" help, there are special tip boxes throughout.
