Ableton DJ & Performance Video Training Course: 30 Detailed & Easy To Follow Videos For Performing With Ableton Live (Music Habits Book 9)

Synopsis

The Ableton DJ & Performance Guide is extremely important that you know that this is a video series, not a typical ebook. The best way to experience this is going to be to download the free kindle app for your home computer or laptop. This ebook is not formatted to work with most Kindles or on iPads. As this ebook links to streaming videos, you will need to be online with a good internet connection to enjoy this detailed & easy to follow video course. This is the one collection that will finally help you understand how to DJ & Perform in Ableton Live, so you can start playing proper gigs. Whether you are a DJ, composer, Remixer, make mash-ups or want your live performances to come to life, Ableton is the industry standard for easily doing all of these! Below are just some of the videos included:

Ableton DJ & Live Performance Collection

Customer Reviews

DJing is a skill that I've always wanted to master but the jargon and complicated instructions of many other guides and courses left it firmly out of reach. Also, what I found with many books were they lacked the practical, applicable information in order to help me get started. Fortunately after stumbling across this book I now feel like I'm making great progress thanks to the videos which explain everything you need to know. I'd never purchased a video based course via a Kindle book before but it's definitely a format that works well as this was so helpful. Thoroughly recommended!

The book is necessary in order to learn Ableton Live properly. It helped me immensely.
