Fingerstyle Ukulele

Synopsis

Tired of just strumming your ukulele? Ready for a challenge? Fingerstyle technique allows you to play melodies and accompaniment at the same time, turning your instrument into a mini orchestra! Fingerstyle Ukulele includes 48 pages of fingerstyle arrangements for ukulele, notated in tablature format. There are links to YouTube videos of the author playing the songs, so you can hear what they sound like. The pieces in the books begin with the basics and progress through some advanced techniques.

Customer Reviews

I bought this from the web site. Very nicely put together, good songs and you just fall into playing fingerstyle. Folks think I know what I'm doing now so where's the second volume Aaron?

Great help

Love it
