Customer Reviews

Excellent dramatization of Agatha Christie's Crooked House. Set in the days just following the end of WW2. A romantic attachment between Charles Hayward and Sophia Leonides, formed during the War, is put on hold during investigation of her grandfather's death. With a verdict of murder, everyone is under suspicion. Charles questions his own belief in his fiancée. Will distrust end their relationship? or are there other family secrets yet to be discovered? Full BBC cast of characters bring life to the story. Additional colour is added with radio broadcast clips and musical interludes of the era. Good quality recording with evenly controlled volume, identifiable characters, and creative sound effects that add to the drama. Agatha Christie says - "This book is one of my own special favourites...practically everyone has liked Crooked House, so I am justified in my belief that it is one of my best." BBC Audiobooks 2008 Crooked House 1949 Agatha Christie Limited

Solid cast headed by Rory Kinnear breathe life into the grand dame of mystery Agatha Christie's book.
