Alfred's Basic 5-String Banjo Method: The Most Popular Method For Learning How To Play (Alfred's Basic Banjo Library)

Synopsis

Alfred's Basic 5-String Banjo Method 1 continues the Alfred Music tradition of easy-to-use, thorough, and enjoyable instruction for the absolute beginner. The basics of right-hand picking are covered, including pinches, different kinds of rolls, and backup patterns. Basic left-hand techniques are introduced, including hammer-ons and slides, and chord diagrams are provided for both G-tuning and C-tuning. Important topics such as setting up the banjo, tuning, banjo heads, fingerpicks, strings, and capos are taught as well. Illustrations, diagrams, and photographs throughout the book make learning easy and fun. Learning to play has never been more fun than with Alfred's Basic 5-String Banjo Method 1---the best choice for today's beginning banjo students.

Customer Reviews

This book seems to be written for those that are entirely new to music, and not just new to the banjo. I've studied many instruments, and used many books, and this is one of the most overly-simplistic beginner books I've ever purchased. I fully regret the purchase, and did not benefit from it in the slightest. You're far better off using free resources online than buying this book. That said, if you're looking for a book to give to a 10 year old that's looking at picking up the 5-string banjo, this one would probably be appropriate...

Excellent book for beginners! Great picture and descriptions. All you need to get a proper start with

the 5 five string banjo.

Easy to understand.

as expected
